

# Terms & Conditions of Use

Use of the website [www.EndocrineSurgeon.gr](http://www.EndocrineSurgeon.gr) and its content, entails the full acceptance of the Terms and Conditions of Use.

Use of the text of this website is **only for general information and update**, and should not be used as medical referral, advice or medical position, concerning health issues of the user or the ones close to him, who ought to **contact personally with a doctor and health experts**. The applied clinical practice is individually provided to every patient who has, every time, a different health problem and in no way is related to the elements of general information provides any kind of guarantee, explicit or implicit, for the pre-, intra-, and postoperative data of a certain patient.

The content (as a whole or part of it) of this website (text, images, logo, photos, videos) cannot be used commercially and copying or entry to another website or broadcasting from the mass media are prohibited, without written permission from Mr Karvounis. The elements of all these webpages are legally protected from any action that would infringe on intellectual property or commercial trademark or unfair competition or other laws, and it's forbidden to be copied or imitated in parts or in whole.

Even though every effort has been made to provide valid and complete up-to-date information on this website, Dr Karvounis and colleagues do not represent the appropriateness of information contained in text, or related images, videos or graphs published in the website, which are listed "as is", without any written guarantee of any kind. Dr Karvounis Evangelos and colleagues make no declarations and give no guarantees of any kind, explicit or implicit, in relation to the completeness, accuracy, reliability, suitability or availability in regard to the webpage or the information,

products, services or relevant graphics contained on the website for any purpose. Any invocation based on this kind of information is, therefore, at your own responsibility. We will not be responsible, under any circumstances, for any loss or damage, including without limitation, indirect or ancillary loss or damage, or any loss or damage arising from loss of data or profit resulting from or associated with this website. In no event shall we be liable for special, indirect or potential damage or any other damage arising from loss of usage files, data or profit, or contract, negligence or other unlawful act which may arise from or in relation to the usage or acting on the information available on this webpage as well as using or running the software.

There is no advertising intent relating to the products (pharmaceuticals, surgical tools, accessories, devices, special materials) listed or pictured on the website's content, no guarantee provided for their suitability and availability, as well as guarantee of any kind, and there is no recommendation of use over other competitive products, which will be decided solely by your attending physician and specialist health professionals.

The links of this website are displayed to you only for convenience and their content is not controlled by Dr Karvounis Evangelos and colleagues. Under no circumstances are we responsible for the content of the linked websites or for links in a linked website, or for any modifications or updates in those websites and any loss or damage related to using them.

Communication via the website is in no way confidential and no personal and medical information for personal health matters should be given (medical reports, findings, prescriptions, examinations, photos, videos) and Dr Karvounis and colleagues cannot be held responsible for the content and distribution of the contents of elements of the communication.

There is the chance that the use of the website on your part is being recorded. Dr Karvounis and associates are free to use this information for statistical purposes, for the improvement of their services. In case you do not agree with this policy, you are kindly asked not to use this service.
